## Movie Night

### Cabrini: A Force of Mercy

Based on a true story, *Cabrini* follows Francesca Cabrini, an Italian immigrant nun who challenges injustice and prejudice in early 19th century New York. With unwavering faith and determination, she builds a vast network of schools, hospitals, and orphanages for society's most vulnerable. This stirring historical drama is a portrait of courage—one woman's relentless compassion against a world that told her no. In English, with some Italian with subtitles.
