*In Verona, Italy, "Juliet's Wall" is where young ladies (usually) write letters to Juliet asking for advice in love or professing their love for someone. They then tuck them into or tape them to the stone wall tunnel that leads to the courtyard where the famous balcony is located. We will have our own Juliet's Wall at our event for everyone (men, too!) to post a note.*

*Here are samples of the notes you can post to Juliet's Wall. You can bring notes with you, or we'll have some available for you to use at the event.*

**Use pink for a  
love note**

**Use any other  
color for your  
guess for the  
ending**

**Here are two samples of what your guess for the ending might be.**
