

Since we didn't have an event in March and there won't be one in April as well, how about revisiting one from the past?

It's February, 2017 at the Orchard Creek Ballroom and it's "SENIOR" PROM NIGHT! Besides a delicious dinner and dancing to *our* music, we had a dinner show:

## A Tribute to the Italian Singers of the 50s and 60s

And, we showed high school pictures of some of our members and tried to guess who they were. What fun we had!
