

## How Well Do You Know Italy?

Karen and Lilly left **Venice** via gondola and are at the train station headed for the next city. It's one known for its food and culture. In fact, it was once declared the "center of culture."

Must be a pretty swanky place!

The clue of where we are is below. Remember, if you can tell us where you think we've landed, email Karen at [bobzkarenz@att.net](mailto:bobzkarenz@att.net) (DON'T reply to this email; it won't get to Karen). And if you're right and among the first ten people to email, we'll send you a **\$5-off coupon** to use on whatever event we do once we're "back to normal." You pick the event for which you want to use the coupon. **But you only have one day to send in your guess: deadline is 6 pm today.** Each household is limited to winning only two times so if you (or your spouse/other) has been smart enough to get it right and get a coupon twice already, you can't get another one. You can still take a guess and if you're right, we'll tell you but you won't get another coupon.

This one should ring a few bells as we covered this place a few years ago in one of our Regional events. Good luck!

**HERE'S YOUR CLUE:**

We decided NOT to walk to our hotel from the train station this time. Thank goodness.

Before we head out to experience some of the culture the city is known for, well-- it's lunchtime! We have to try the pasta that's so famous here.....

The pasta was amazing; it defies description. And we decided to experiment with some fresh strawberries drizzled with a little 100-year old balsamic vinegar. The vinegar is sold everywhere here. Now on to a few highlighted sights on our

lists.

"Lilly, we need to go see the famous leaning towers. Pisa's not the only city with a leaning tower. One of these was even used as a prison. And don't forget, I wanted to go see the old school here, too," Karen says.

"I'm with you, Karen. The only two things I have on my list are the church that never got finished and the market. Did you know the church is all marble work on the bottom and pretty much plain brown brick on the top? And the market with 400 stalls! I can't wait! Maybe we can find some things for a Club event... once we can do one!"

Think you know where we are? Don't forget: email [bobzkarenz@att.net](mailto:bobzkarenz@att.net).

Congratulations to the winners of a \$5 coupon for our last **Where Are We** message: Julia Vitale, Pam Moura, Carol Glaush, Eileen Moffatt, Carolyn Magliulo, Christina Nobile, Mario Tantillo, Jerry Leonardini, Diane Balda, and Pattie Powers. Thanks to all who sent in a guess (almost at the crack of dawn!), right or wrong. We love hearing from you!
