

**Are you kidding me?
You don't know about
the Club's website?
Geez...you gotta get on
it. After all, everything
the Club does or has
planned is on the
website. You don't have
to wait to get an email!
You can see it all in one
shot!**

Check it out

The Italian Club has one of the best websites in Lincoln Hills. Have you checked it out lately? If you want to take a look, just [click here](#).

With all the sheltering in place, boredom can certainly set in. The website has some things to offer that might give you some relief--for an hour or two! Here are some highlights.

We've all started to cook more since restaurants aren't as plentiful and because we tend to trust our own cooking more. (Plus, who wants to sit with a crowd of folks who look like they're ready to rob the place with mask in place!). Did you know there is a **La Cucina** section on the website where Italian Club members have submitted recipes? If you liked something that was served at one of our Regional events, the recipes are posted in La Cucina so you can try them at home. You might want to try Irene Pardini's Tiramisu or the Gnocchi Alla Romana we made at the Lazio Regional Event. Diane Balda made Pasta Alla Norma for us once and it was great!

The recipe is there, too.

If you want to see photos of all the past events, click on **Photos** and go to the year you'd like to view. There are literally hundreds of photos. Re-live the fun of the events and see the friends you probably haven't seen in four months--with a smile, not a mask!

We've posted all the "Reaching Out and Keeping in Touch" messages on the website along with the "Where Are We" challenges, too. So if there's one you'd like to see again, they are easily found on the Home Page.

If you have a question about the Club, we haven't disappeared. We are still here to answer them. Go to the **About Us** tab.

Curious about who else is in the Club? Under **Photos**, there are pictures of our members. No password is needed to view these photos.

AND, our newest addition to the website is our **Apparel Store**. The Club reaps no benefits from this site other than to offer you the opportunity to purchase some clothing with the Club's logo. It's easy to use and the shirts, caps, etc. proudly display our logo.

Our events are usually posted on the website as well. But right now...well, there aren't any of those. They're all on "hold" but many have been re-scheduled in the anticipation (and hope) that we can do something soon. And here's a little secret: if you hear that we're doing an event and you want a head start to sign up, the flyers are always posted to the website before we send out the email to announce them.

The most important thing you can do is keep us up to date.

If you have a new email address, you need to contact our Membership Director, Sandi Graham, to let her know so she can update the system (smgraham101@gmail.com) otherwise, you won't get the messages we send out.

That's it in a nutshell. We encourage you to take a look and become familiar with the information and where to find it. That way, when we're back up and running, you'll have a head start in the race!
