## Italians Love All Things Coffee

I'm Miss Cappuccino Pudding. Yum.

Call me "Mr. Espresso"

I am so-o-o popular! Everyone loves me!

You've never heard of me? Mr. Affogato??

Drinking espresso in Italy is a way of life, a way to meet with a friend for a quick treat. But besides the espressos, many desserts are made with this intensely-flavored coffee as well.

This is your opportunity to learn about Italians love of coffee:

- Learn how coffee made its trip to Italy to become one of the most popular of all drinks.
- See the different coffeemakers used to make the brew.
- Taste some cappuccino pudding, an affogato, and more.
- Try an espresso if you're game.

Taste what you like or taste them all!
