MEATBALLS AGAIN VICTORIOUS!

The Meat Balls (Italian Club) and the Matzo Balls (Shalom Club) held their 10th Annual Bocce Tournament on Sunday, October 20, 2024. A pregame get together took place before play began to share comradery, Italian and Jewish goodies and a song. Then the games began! The five teams of four players on each side, played 3 games of 11 points each, all under beautiful sunny skies--perfect weather for the games.

And the prize for the winners? A magnificent trophy! The winners get the privilege of keeping it until next year's games, when the trophy is again up for grabs. The Italian Club has held the trophy for the past nine years, since the inception of the tournament in 2015 and this year was no different. Brass plaques on the trophy document the winner for each year. With the Meatballs scoring 11 wins and only 4 losses, the trophy

remains under the ownership of the Italian Club for another year. That makes it 10 years in a row!

Thanks to Dennis Cirrone, who has organized the Italians into tidy unbeatable teams each year. And congratulations to all the players who met the challenge with their bocce skills! You all made the Club proud!
